

RAPESEED MEAL

**NOBLE
FOODS**
MILLING | STRAIGHTS

Suitable For:

PIGS

POULTRY

RUMINANT

Typical Analysis

These results are indicative, not fixed and contractual.

Dry Matter	Crude Protein	Oil A	Oil B	Crude Fibre	NDF	Lysine	Starch	Sugar	Ash
91.0	33.5	2.5	3.6	13.0	28.0	1.72	6.0	8.0	6.5

Figures are shown as %.

Additional Information

Rapeseeds are pre-cleaned, flaked, cooked and the oil removed by solvent extraction.

The resulting cake is cooled and dried, leaving a high-protein meal.

Quality Assurance

Rape meal is sourced solely from approved suppliers and is sold by Noble Foods Straights, a UFAS accredited merchant.

This product is used internally, within our own feed mills. A full QC of our internal, Noble analytical information is available on request.
